

Tournament Info

At The Jack, we host tournaments and golf outings that offer a perfect blend of relaxation, and a great time. Nestled in a picturesque riverside setting, our course caters to all levels, providing a challenging yet enjoyable backdrop for a memorable experience. Our course and staff can host up to 125 players. Let us help you plan your event!

For a shotgun start, the minimum requirement is 60 players (15 teams), but we recommend an ideal range of 80-125 players for the best experience. Given our popularity, we advise early bookings. If you're interested in hosting your tournament at The Jack, please reach out.

Food Packages

We offer two food packages for our tournaments, a baseline and upgraded. Please inquire about what food package you are interested in.
